

# ACRIFAB AUTO-FOCUS VIDEO MICROSCOPE

MODEL : MC-AF200

# FEATURES & SPECIFICATIONS

Our innovative inspection microscope simplifies the process, enabling 360° observation of various surface structures, defects, solder joint quality, and more, enhancing efficiency by enabling autofocus for components of varying heights without manual adjustments.

## SPECIFICATION

Model	MC-AF200
Resolution	1920X1080P@60FPS
Sensor	1/2.8 inch
Image size	2.0μmX2.0μm
Output mode	HDMI +USB dual output
External device	HD monitor + computer
Optical magnification	0.7-4.5X continuous zoom
Electronic magnification	26-180X (can be expanded to 360x magnification)
Metal base	375X265mm metal base column height 330mm
Light source	brightness adjustable LED ring light source
Camera features	Electronic zoom in/out, wide dynamic, mirror flip, same screen comparison, auto-focus

## FEATURES

- 2D/3D free switching
- Auto-focus at different heights
- Photo and video capabilities
- Same screen comparison
- Image flip function
- Magnification display
- Electronic zoom in/out
- Built-in measurement system
- U disk storage for convenience
